Deposit

We ask our clients or their agents for a deposit of 50% of the cost of the tour in advance.

Balance

The balance of the cost of the tour is payable in cash or by credit or debit card on the day of the tour.

Payment method

You may pay the deposit either by a cheque drawn on a Sterling bank account or by credit or debit card or by using your Paypal account.

Credit or debit card payments are processed via Paypal. There are several advantages to using Paypal for both parties. You do not require a Paypal account to make a payment, and you effectively enjoy double protection – from Paypal as well as from your credit card company. Tours from Edinburgh benefits from a straightforward method of handling currency exchange, and lower costs than running a merchant account to

process credit card payments.

Alternatively, you could pay the full amount by bank transfer or money order if you or your agent do not want to be involved with payment on the day itself. But please be aware that bank transfer charges can be quite high.
